**THAT** aware that one of the functions of the devolved units of Government is that of agriculture including crop and animal husbandry, also aware that agriculture is the cornerstone of economy in Bomet County; deeply concerned that farmers find it hard to mechanize their farms due to land fragmentation hence small scale farming; this County assembly urges the County Government of Bomet to assist farmers to mechanize their farms and practice poultry farming as a supplement to other farming activities by assisting them to purchase mini-tractors and hatcheries.
