PRAYER

MOTION

APPOINTMENT OF THE COMMITTEE ON APPOINTMENTS

Hon. P. Kirui (Leader of Majority): Hon. Speaker, Sir, I beg to move the following Motion, THAT, pursuant Standing Order 197 (1), the County Assembly approves the appointment of the following Members to the Committee on Appointments:

- | | | |
|-----------------------------|---|--------------------------|
| 1. Hon. Cosmas Korir | – | Speaker |
| 2. Hon. Leonard Rotich | – | Deputy Speaker |
| 3. Hon. Paul Kirui | – | Leader of Majority Party |
| 4. Hon. Kibet Ngetich | – | Leader of Minority Party |
| 5. Hon. Rosaline Cheptoo | – | MCA |
| 6. Hon. Eric Kirui | – | MCA |
| 7. Hon. Stephen Chang'morik | – | MCA |

I call upon Hon. K. Ngetich to Second.

Hon. K. Ngetich (Leader of Minority): Hon. Speaker, we had a deliberation on the same and with the fact that we are lacking behind in so many issues, I beg to Second.

(Question proposed)

Hon. B. Langat (Kembu ward, UDA): Hon. Speaker, Sir, thank you. I support the Motion before us. We have waited for this and it is high time this Committee passed through. I support this Motion.

Hon. S. Changmorik (Longisa Ward, UDA): Hon. Speaker, Sir, thank you. I stand to support the Motion. I thank the Leader of Majority for bringing this Motion because the Governor is yet to submit the County Executive Committee Members. This is the Committee that is going to vet them. It is prudent that we have this Committee in place so that as soon as their names come to the Assembly, we will be ready to vet them.

I thank the Leader of Majority for including me as one of the Committee members. I have gone through the list and I see that he has done a good job. That is why all the sub-counties are well represented here. I promise my colleagues from Bomet East that I will perform my duties well in this Committee. I urge the Assembly to support the Motion.

Hon. Speaker, Sir, thank you. I support.

Hon. P. Ronoh (Kipsonoi Ward, UDA): Hon. Speaker, Sir, thank you for this opportunity. I rise to support the Motion before us. This Motion is long overdue. We want this Committee in place because the activities of the County Government rely on them. However, the law that establishes this Committee is clear on the membership. I am worried because it is not gender sensitive. Out of the seven, I only see one female Member.

The Constitution dictates that we should be sensitive on gender. The County Assembly of Bomet is one out of the forty-seven that has been lauded for following the two-thirds gender rule. We did not run short of women to appoint. However, because we do not have the luxury of time to take it back and change, I wish to support it the way it is. Thank you.

Hon. Speaker (Hon. C. Korir): There being no other Member who wants to contribute, I call upon the mover of the Motion to reply.

Hon. P. Kirui (Leader of Majority): Hon. Speaker, Sir, the Motion coming up next is one for the appointment of Members to the various Committees, THAT, pursuant Standing Order 197 (1), the County Assembly approves the appointment of the following Members to the Committee on Appointments

Hon. S. Changmorik rose on a point of order

Hon. S. Changmorik (Longisa Ward, UDA): Hon. Speaker, Sir, I ask the Leader of Majority to give us the right of reply for the first Motion so that we can go to the next one.

Hon. P. Kirui (Leader of Majority): Sorry for that, Hon. Speaker. Hon. Speaker, I appreciate and thank the Members for contributing to this Motion on Committee on Appointments which is critical in fast-tracking the business of the Assembly. I thank them. Thank you.

(Phone rings)

Hon. Speaker (Hon. C. Korir): There's a Member whose phone is ringing. Kindly put it on silent mode. If it rings again, the Member shall be ejected from the Chamber.

MOTION

REPORT OF THE COMMITTEE ON SELECTION ON APPOINTMENT OF MEMBERS TO VARIOUS COMMITTEES

Hon. P. Kirui (Leader of Majority): Hon. Speaker, Sir, the next Motion is on the appointment of Members to various Committees, THAT, Pursuant to Standing Order 165 (2), this County Assembly approves the report of the Selection Committee on the constitution of Committees laid on the Table of the Assembly on 13th October 2022 at 10:00 a.m.

Hon. Speaker, Sir, the County Assembly Committee on Selection is a Select Committee established under the Standing Order 165 (1) of the County Assembly Standing Orders. It is a Committee which is mandated among others to nominate Members to serve in Committees save for the membership of the County Assembly Business and Rules Committee, Liaison Committee and Committee on Appointments.

Hon. Speaker, Sir, the County Assembly Committee on Selection as currently constituted was established by the County Assembly on 12th October 2022.

Mr. Speaker Sir, the Committee as currently constituted consists of the following Honorable members;

1. Hon. Paul Kirui - Leader of the majority party and Chairperson
2. Hon. Kibet Ngetich - Leader of the Minority party
3. Hon. Richard Ruttoh - Majority Whip
4. Hon. Dennis Kiplangat - Minority Whip
5. Hon. Joseah Samoei -Deputy Majority Leader
6. Hon. Japhet Cheruiyot -MCA
7. Hon. Rosaline Cheptoo -MCA

Mr. Speaker Sir, Standing Order 165(2) provides that the Committee on Selection shall nominate members to serve in committees, save for the membership of the County Assembly Business and Rules Committee, Liaison Committee and Committee on Appointments.

Mr. Speaker Sir, the Committee having received proposals from both the Leader of Majority and the Leader of minority on the constitution of committees considered the said proposals and nominated members to serve different committees.

Section 14 (1) (b) of the County Governments Act 2012 provides that the County Assembly subject to Standing Orders made under paragraph (a), may establish committees in such manner and for such general or special purposes as it considers fit, and regulate the procedure of any committee so established.

Mr. Speaker Sir, the Bomet County Assembly Standing Orders provides for 12 sectoral committees and 8 select Committees. Section 15 of the County Assemblies Powers and Privileges Act No. 6 of 2017 also establishes the committee of Powers and Privileges.

The County Assembly Selection Committee therefore nominated members to serve in these various committees.

Mr. Speaker Sir, in nominating members to serve in the various committees, the County Assembly Committee on Selection took into consideration the criteria set out under Standing Order 167(1) of the County Assembly Standing Orders which is that in nominating Members to serve on a select committee, the County Assembly Selection Committee ensured that the membership of each committee reflects the relative majorities of the seats held by each of the County Assembly parties in the County Assembly.

Mr. Speaker Sir, Standing Order 167(3) also provides that except as the County Assembly may otherwise resolve, on the recommendation of the Committee on Selection for reasons to be stated, no member shall be appointed to serve in more than three Sectoral committees.

Mr. Speaker Sir, as required under Standing Order 16(2), the Speaker in consultation with the County Assembly Parties submitted a list of three Members for consideration by the County Assembly Business and Rules Committee as members of the Speaker’s panel who would be the 1st, 2nd and 3rd Chairperson of Committees.

Hon. P. Kirui (Leader of Majority): Hon Speaker I want to thank Members for the support they gave me during the preparation of this report. I also thank the office of the Speaker and

Clerk for facilitating the committee during the production of the report. I urge the Members to support this Motion. I ask Hon Richard to second.

Hon. R. Ruttoh (Chemaner Ward, UDA): Hon. Speaker I rise to second the motion m moved by the majority leader. This is an important motion and when we approve it, the committees will run the businesses of the Assembly. I urge the members to approve the list laid by the Leader of the Majority. Hon Speaker, Some of the Members may not be satisfied with the positions they have been given but the selection committee did their best. This Assembly has a lot of work and we are even expecting the list of CEC's and COs and the committees needs to be in place. Hon. Speaker, I second the Motion.

(Question Proposed)

Hon. S. Changmorik (Longisa Ward, UDA): Hon Speaker I take this opportunity to thank the majority leader the committee concerned for bringing an important document. Committees will help Members access information from different ministries. The committees will us do oversight. I have a lot of statements to be laid. The committees will invite the CEC's to this Honorable Assembly to get information on the executive side. Hon. Speaker I agree with the list and I support the motion. The committee members will elect their Chair. I urge Members to support the Motion.

Hon. Speaker (Hon. C. Korir): Hon Members I want to recognize the presence of members of the press who are in the public gallery.

Hon. V. Mutai (Nominated MCA, UDA): Hon. speaker I rise to support the motion by the majority leader. The list is good, because it has experts in various departments. We shall have a competent team that will execute the mandates of this county. I urge members to support the motion to enable the smooth running of the business of this Assembly.

Hon. V. Rop (Nominated MCA, UDA): Mr. Speaker I rise to partially support the motion

Hon. Speaker (Hon. C. Korir): Hon. Member it is either you support or oppose. There is nothing like partial support.

Hon. V. Rop (Nominated MCA, UDA): Hon. Speaker give me some time I explain it. Being a graduate of St Paul University, Kenya Institute and Highway Building Technology, I come with fast experience and I think I should be in some key committees. Hon. Speaker, we can make some changes.

(Hon S. Changmorik rose on a point of order)

Hon. S. Changmorik (Longisa Ward, UDA): Hon. Speaker, is it in order for the Hon Member to tell this Assembly that he has learnt a lot? We have learnt a lot as well and those on the list have e PhDs. Let the Member withdraw the Statement.

Hon. V. Rop (Nominated MCA, UDA): Hon Speaker I am not trying to insinuate that there are illiterate members. It is that I have always looked for a chance to diverge the knowledge I have acquired. It was on a lighter note and I have offended Hon Changmorik I withdraw the statement. I am here at the UDA party representing g the Youth and the committee thought I am not a youth but I am ready to present my ID for scrutiny. I am willing to donate to one of the committees to join the Committee on Education Youth and Sports because I have not seen any youth in that Committee. Otherwise, I appreciate the selection committee.

Hon. D. Kirui (Ndaraweta Ward, UDA): Hon Speaker I oppose the list brought forward by the Leader of Majority because...

Hon. D. Kirui (Ndaraweta Ward, UDA): I was in the Committee of Education and Vocational Training but I have found myself in the Committee on Powers and Privileges. I am not even aware of what it could transact in this Assembly. I wish to know the criteria they used to arrive at that list.

(Hon. P. Ronoh rose on a point of order)

Hon. P. Ronoh (Kipsonoi Ward, UDA): Mr. Speaker is it in order for honourable D. Kirui to tell this Assembly that he was on a committee. Were there other committees before us?

(Hon. D. Kirui rose on a point of reply)

Hon. D. Kirui (Ndaraweta Ward, UDA): Mr. Speaker, we had a *Kamukunji* and that is what we discussed unless Hon. P. Ronoh is not aware.

(Hon. B. Rotich rose on a point of order)

Hon. B. Rotich (Kembu Ward, UDA): Hon. Speaker, I just wish to inform Hon. D. Kirui that the Committee on Selection did their job perfectly, and thus I support the Motion.

Thank you.

(Hon. N. Kibet rose on a point of order)

Hon. N. Kibet (Kapletundo Ward, UDA): Mr. Speaker, thank you. You know whatever we had given for ratification on the Committee on Selection, we had given out some notes so that as a member, you can pick the committee of your choice but they were just prayers. In fact, honourable D. Kirui had a prayer for a Committee on E-governance. He, as well, knows the process because he did talk to me. Leave that to rest in the Committee of the Whole County Assembly so that we start the business of the Assembly.

Thank you. I support.

Hon. Speaker (Hon. C. Korir): I want to inform the Leader of Majority that as he is addressing the Member, he should do so through the Chair. Hon. Members, if you have anything against any

other Member, do not point hands or look at the direction of the other Member. You should address the Chair but not the Member directly.

(Hon. R. Ruttoh rose on a point of order)

Hon. R. Ruttoh (Chemaner Ward, UDA): Mr. Speaker, thank you. I wish to clarify and support what the Leader of Majority has done. What hon. V. Rop, who is my deputy, has raised is a matter of concern.

Hon. Speaker (Hon. C. Korir): Hon. Member, I think you are contributing for the second time.

(Hon. R. Ruttoh rose on a point of order)

Hon. R. Ruttoh (Chemaner Ward, UDA): Hon. Speaker, I am not contributing but trying to clarify something which I am seeing.

Hon. Speaker (Hon. C. Korir): That is not allowed.

(Hon. R. Ruttoh rose on a point of order)

Hon. R. Ruttoh (Chemaner Ward, UDA): Okay, Point of information Mr. Speaker?

Hon. Speaker (Hon. C. Korir): You sit then you seek.

(Hon. R. Ruttoh rose on a point of order)

Hon. R. Ruttoh (Chemaner Ward, UDA): Okay.

(Hon. B. Langat rose of order)

Hon. B. Langat (Kembu Ward, UDA): Hon. Speaker, thank you. Pursuant to Standing Order, 165 (2), and 168 (1), which give the Committee on Selection power to make all these committees across all the Members we have in this Assembly, I think we have given the powers this committee to make selection.

For the Motion which the Leader of Majority has given us, it is well equipped and well represented across all the Members, for instance, having got an opportunity to serve in the Committee on Budget, I think the Committee on Selection did their best because they have expedited the knowledge that we have to scrutinize the functions in this county. Based on that, I support this Motion.

(Hon. P. Mutai rose on a point of order)

Hon. P. Mutai (Sigor Ward, UDA): Hon. Speaker, thank you. I wish to support the Motion. I have checked and seen that all these Members have been distributed to various committees. I also wish to inform honourable V. Rop that you have told the position areas of your education and I wish to congratulate the Committee on Selection because they have given you a very powerful committee, Committee on Powers and Privileges.

I wish to support this Motion and urge the honourable Member to allow passing of this Motion the way it is because it does not mean that you have to be in a particular committee so that you represent youths, women or other groups. We are all the Committees of this Assembly but we have selected a few to represent us in those few committees.

Mr. Speaker, thank you.

(Hon. P. Ronoh rose on a point of order)

Hon. P. Ronoh (Kipsonoi Ward, UDA): Mr. Speaker, I am pert upped. Except the roll call that the Leader of Majority has read to us, I have not been supplied with the list of Members we are supposed to pass. I am worried because some Members have copies of the same. For me, I cannot support or oppose because I have nothing to that effect. Is there a partiality in distribution of materials for debate?

Hon. Speaker (Hon. C. Korir): Clerk, kindly ensure that the Member is supplied with a copy of the list from the Leaders of Majority.

Hon. Speaker (Hon. C. Korir): Hon. Member, you are out of order. You address the Chair before you talk. Anyone who wishes to contribute?

Hon. E. Rotich rose on a point of order

Hon. E. Rotich (Mogogosiek Ward, UDA): Mr. Speaker, thank you for this opportunity. I would like to congratulate the team who did this work. I would wish to agree with the Committee on Selection because they tried as much they could to ensure that our expertise is tapped, for instance, I am an educationist and finding myself in the Committee on Education is a great honour and recognition on my profession.

I wish to support the Motion since we want to move forward fast track what is still behind the schedule.

I also wish to inform my friend, honourable V. Rop that I am also a youth in that committee and as well a representative.

Mr. Speaker, thank you.

(Hon. R. Cheptoo rose on a point of order)

Hon. R. Cheptoo (Rongena/Manaret Ward, UDA): Hon. Speaker, allow me to congratulate the Leader of Majority for giving us this Motion. I wish to say I am privileged because I was among the Committee on Selection and wish to assure the Members that we sat for more than four hours to ensure we give you the right committees in various dockets. I also wish to say what

we considered during selection including qualification and profession of different Members, and regional balance. I was actually expecting Members to appreciate our work.

These committees we have already given you should be fast tract because we have a lot of Assembly Business we are supposed to start. I believe that you are aware that the list of CECs has been produced and we are supposed to sit and start our business.

I support the Motion as I urge other Members to support.

Thank you.

Hon. L. Rotich rose on a point of order

Hon. L. Rotich (Chesoan Ward, UDA): Mr. Speaker, thank you. I rise to support the Motion. I urge the honourable Members to be contented in the Committees they were placed. The Committee on Selection must have seen that you are capable of delivering in the committee you were placed. When we begin business, let us work hard. I also failed to be put in Committee on Education yet I am a renowned teacher. I even have one honourable Member here and one in the National Assembly who were my students.

Because of time and work ahead of us, let us adopt the list the way it is. We will be able to deliver in all the areas we have been asked to perform our duties. Remember we are being waited by our electorates. So, we should not take a lot of time trying to pass a list which we have not even known some of their mandates.

I seek to support the motion Mr. Speaker.

Thank you.

Hon. Speaker (Hon. C. Korir): I wish to give chance to those who have not contributed. Hon. D. Ngeno?

(Hon. D. Ngeno rose on a point of order)

Hon. D. Ngeno (Kongasis Ward, CCM): Mr. Speaker, thank you for this opportunity. I wish to congratulate the Committee on Selection for doing a great job.

I wish to inform this Assembly that ahead of this, is a lot of business and we need to adopt this Committee report the way it is so that all the activities of the county will proceed well.

Being one of the Members on the Committee on Selection, I wish to inform you that we took care of expertise of every individual Member.

I also congratulate you Mr. Speaker on your election. I think I have not had a chance to give a congratulatory message to you.

Thank you.

Hon. Speaker (Hon. C. Korir): Thank you. Those who have not contributed, please?

Hon. F. Chepkirui (Nominated MCA, UDA): Mr. Speaker, thank you. I wish to congratulate the Motion Mover and the Committee on Selection for the good job they did. My only point of concern is that I support honourable V. Rop on the issue because we were both nominated by the party to represent the youths and thus I am worried how the affairs of the youths will be well represented if neither of us is in the committee concerned with youths.

Thank you.

Hon. Speaker (Hon. C. Korir): Thank you. You had risen on a point of order honourable Member from Chebunyo.

(Hon. B. Rotich rose on a point of order)

Hon. B. Rotich (Kembu Ward, UDA): Mr. Speaker, thank you. I wish to beseech honourable V. Rop that the Bible says” Be contented with what you have” Hon. V. Rop is the Deputy Majority Whip, a position I cannot hold Mr. Speaker. He needs to appreciate for that position.

Thank you.

Hon. J. Samoei (Nyongores Ward, UDA): Mr. Speaker, thank you for this opportunity to address this Assembly. Concerning the Motion, I wish to support and wish to congratulate the Leader of Majority and the Committee on Selection where I am also a Member.

I request you Mr. Speaker to read the mood of the Assembly and put the question.

Thank you.

Hon. D. Busienei (Chemagel Ward, UDA): Hon. Speaker, I would like to congratulate the Members who sat led by the Leader of the Majority for deliberating on their work fairly. I have seen the balance of the Members.

May be some Members who were sent to this Assembly to represent various sectors like the Youths, should be considered next time and if possible, we can address that issue so that one of them can do representation.

I rise to support the Motion because there are a lot of issues we have to address.

Thank you.

Hon. Speaker (Hon. C. Korir): If you want to contribute and I think all the Members have contributed, unless it is a point of information.

Hon. C. Langat (Boito Ward, UDA): Hon. Speaker, kindly guide this Assembly because this Assembly is governed by rules and procedures when the member rises to seek information, he should state the member who wants to be informed. Thank you.

Hon. R. Ruttoh (Chemaner Ward, UDA): The information I want to pass Mr. Speaker is that our members are complaining that the youths are not represented, I want to indicate that we have

hon. Ernest who is representing them and we want to tell our youths from our wards watching us that they are not side lined.

Hon. Speaker (Hon. C. Korir): I want to direct that if you are rising on a point of information or a point of order, state the order because I am seeing everybody wants to stand. However, I understand that Standing Order 118, attendance of non-members of a selected committee, any member may attend and participate in a meeting of any committee of the county assembly of which he/she is not a member but he/she is not entitled to vote as any matter before the committee. So hon. Victor and Felody you can attend the committee on youths but you cannot be entitled to other things but you can participate there.

Hon. P. Ronoh (Kipsonoi Ward, UDA): Mr. Speaker sir I also want to rise in support of the motion. This time round I am supporting a happy man. Yesterday I was in recording objecting the appointment of select committee. I am grateful because the select committee did a wonderful job though I am not supplied with the material to read, my good friend the majority leader is a good person and we are well represented. I am supporting the motion because we have to move. I am a worried man because I was not supplied with the material and another hon. members says she has been supplied with the list of CECs have also not seen it here Mr. Speaker.

Hon. Speaker (Hon. C. Korir): Before I give any other person, the hon. member who said he has a list I don't know which kind of a list he is talking about but I think it's just a mistake that he just made. The report that we are going to table is what's there but there's no report so far.

Hon. L. Cherotich (Nominated MCA, UDA): First, I want to make my maiden speech, I thank the almighty God for this time. I also thank my family for the support they gave me and the UDA party for nominating me. I congratulate you Mr. Speaker for your election. I urge all the nominated and elected members that we work together, I also thank the governor and we will work to improve the people with disability, youths and gender. I support the motion. Thank you.

Hon. Speaker (Hon. C. Korir): Thank you very much hon. Lily she has made us proud. Any other member who wants to contribute...?

Hon. E. Kirui (Kimulot Ward, UDA): Thank you hon. Speaker, I want to support the motion and applaud what the committee on selection has done.
